Eco-Friendly Food Boxes

PRODUCT USAGE

MANY FOODS, ONE BOX

ACROSS CUISINES, ACROSS BUSINESSES

PRODUCT DETAILS

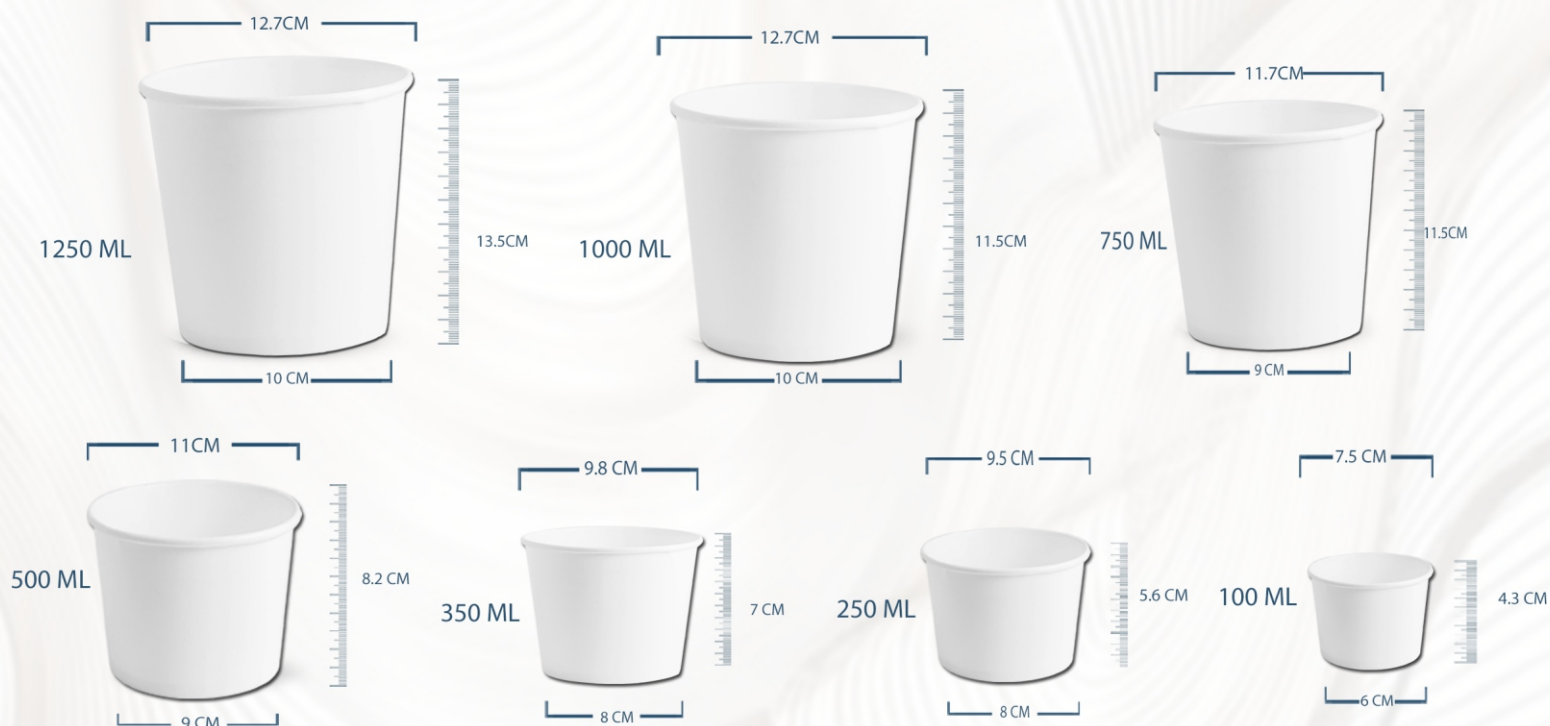

Packwingz offers a sustainable packaging solution for every culinary need. Our unique eco-friendly products are recyclable, have minimum impact on the environment, and are manufactured from high quality food grade paper.

WE PACK FRESHNESS

Each Packwingz box is designed with providing a positive dining experience in mind for the end consumer. Made from high quality food-grade paper, these boxes are elegant, sustainable and is an affordable solution for dine-in, delivery, and takeout modes. Choose from a variety of design options such as Oriental, Indian or Continental or customise with own company logo/design. With these options, give your business a great opportunity to drive the brand home with the consumer.

All our boxes are recyclable and help businesses reduce their carbon footprint across the globe.

ABOUT US

Founded by Hetal Bachkaniwala, Amar Shah and Gaurav Mittal, Packwingz Packaging LLP is a professional organisation set out to provide sustainable packaging solutions. Our continuous pursuit is to replace the excessive use of plastic containers in the F&B industry with more eco-friendly options made out of bio-degradable paper. Each Packwingz Box is manufactured in a state-of-the-art manufacturing facility located in the industrial hub of Pimpri near Pune. The aim is to change the trend and provide high quality yet affordable packaging products that are ideal for every food experience.
